

# Can you bring big smiles on little wonders?

**Applicants are invited for the post of Consultant in Paediatric Intensive Care at Surya Hospitals, Mumbai.**

**Eligibility: FNB/ IAP/ Foreign university fellowship in PICU, with minimum of 2 years experience post-fellowship training.**

The PICU is a 14-bed tertiary referral PICU in Mumbai and sees 800 admissions per year. The unit is recognised by the National Board of Examinations, Maharashtra University of Health Sciences and the Indian Academy of Paediatrics for post-doctoral fellowship training in Paediatric Intensive Care.

The unit is equipped with advanced mechanical ventilators, high-frequency oscillation, paediatric hemodialysis, invasive arterial BP monitoring capabilities, flexible bronchoscopy, bedside ultrasonography and functional echocardiography. The PICU is ably supported by a complete team of Paediatric Superspecialists.

The selected candidates will be part of a team and will be expected to independently supervise and direct care of admitted patients and participate in the fellowship teaching program.

**Interested candidates should send across a copy of their CV to [hr@suryahospitals.com](mailto:hr@suryahospitals.com)**
